WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., FRIDAY, SEPTEMBER 9, 1904.

ONE COPY—ONE CENT.

REVISED.  
He who fights  
And runs, perhaps,  
Will live to fight  
Some other Japs!  
—Cleveland Plain Dealer.

## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

A full line of School Supplies can be found at Ray's Drugstore.

Mrs. Charles W. Forman continues quite ill at her home in the county.

Attorneys Samuel Holmes and I. B. Ross have formed a partnership at Carlisle.

Don't forget the Republican Convention tomorrow afternoon at 1:30 at the Courthouse.

When Colonel Ben. Smith and Kelly Luman get through with that part of Third street fronting The Ledger office it will be in such apple pie shape as to entitle them to a vote of thanks.

The report of the State National Bank, in another column, shows a surplus fund of \$20,000, undivided profits \$4,026.24, and deposits subject to check \$518,638.57, of which \$50,000 stands to Uncle Sam's account.

Every lady should have one of our fine "Leather" Hand Bags, entirely new and at reduced prices. Call and see them. Also fine line of Card Cases and Cigar Cases.

MURPHY, the Jeweler.

B. A. Fraizer, C. and O. Claim Agent, Covington Division, was in the city yesterday gathering data and looking into the merits of the several accidents that have occurred to individuals in this city and vicinity in the past several weeks.

John Duley calls attention to the matter contained in his advertisement today. This is certainly the time to buy Maysville city property. He has some houses that will be offered at very low figures if sold this week. See him today or Saturday.

Victor Caperton of Louisa, regarded as one of the most dangerous moonshiners and illicit retailers in Eastern Kentucky, is under arrest at Huntington. Three years ago Caperton killed a Deputy Sheriff at Louisa. He escaped to West Virginia and has been hunted for years.

William Hickie is not dead as stated in yesterday's Bulletin, but living and doing nicely. The Doctors are exerting themselves to save the young man's leg and entertain hopes of being successful. The aim of eminent surgeons of today is to save limbs and not amputate them.

The Ladies' Missionary Society of the Third Street M. E. Church will meet this afternoon at 2:30 o'clock with Mrs. John M. Rains. This being the last meeting before Conference, all those who have mite boxes are requested to bring them to this meeting, where the annual mite box opening will take place.

There is no excuse for idle men in this city at the present time. With the big tobacco plant, the East End sewer and the Government Building being constructed at the same time there is certainly work for all those who want employment. There is more building going on at the present time in this city than there has been for years.

RUSSELL—ARMSTRONG.

The marriage of Mr. James Barbour Russell of this city and Miss Lillian Isabelle Armstrong of Flemingsburg occurred at 6 o'clock last evening at the home of the bride's mother in the latter place.

It was one of the most charming of the many similar events that have occurred in that delightful little city, the program as given in Wednesday's LEDGER being closely followed.

Only the immediate relatives of the contracting parties witnessed the ceremony, no invitations being issued outside the family circles.

After a bountiful wedding dinner the bridal party drove to this city, where they took the 10:30 C. and O. train last night for an extensive Eastern trip, followed by the best wishes of a host of their respective friends.

After October 1st they will be at home at "Miltonia," the handsome home of the groom's mother, in East Third street.

## THE DIRT FLYING

### Work Begun in Earnest on the Big East End Sewer

Work on the East End sewer was begun yesterday. The trench has been started at the foot of the grade in Commerce and goes as far as Second street.

The work is laid off in two sections, Councilman Robert Frost being in charge of a gang of eleven men and Councilman Fred Bauer has charge of ten, making twenty-one now employed.

The sewer will be twenty feet under ground where it crosses Second, and on the grade part of it will be laid at a depth of seven feet.

More men will be put on just as soon as the work is laid off and the work pushed as rapidly as possible.

## VERY MUCH NIXED

### A Law Case in Which Many Nationalities Are Concerned

There was a novel trial the other day in a City Magistrate's Court wherein the plaintiff was a Jew and the defendant a Chinaman.

The lawyer for the Jew was an American and the Blackstone defending the Chinaman was an Irishman, while the trial Judge was a Dutchman.

The Judge held up his decision for the time being, but you can bet your socks the Jew will win out in the end.

Did you ever know him to get left? In this case, however, he deserves to win, for he had been the Chinaman's friend when he was in sore distress and needed aid and comfort.

The moon-eyed celestial son did not appreciate the kindness extended and tried to beat his benefactor; at this he kicked and hence the suit.

### Beware of Ointments For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75¢ per bottle. Take Hall's Family Pills for constipation.

## DOUBLE KILLING

### Louisville Boarding-House Scene of a Bloody Tragedy

William E. Neal of Lawrenceburg shot and killed himself and his wife in a boarding-house in Louisville Wednesday afternoon.

Neal killed James K. Shrader, former Assistant Commonwealth's Attorney, at the Capital Hotel last winter because of alleged intimacy with the woman whom he killed.

He had just been released from Jail on \$5,000 bond.

Both were shot through the heart.

She lay on the floor and he was on a couch. They had been at the boarding-house since Tuesday, giving the name of Johnson.

She was Miss Nellie Robinson of Hopkinsville.

## "There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.

HAVE THE DAVIS PRINTING HOUSE PRINT IT.

NEGROES in Cincinnati are incensed over the idea that they will be excluded from the use of the Public Bathhouse just opened in that city; and just when so many of 'em need a bath so badly, too.

THE Democratic majority in Arkansas probably will reach the normal figures, but Governor DAVIS has fallen behind the state ticket, and his majority may go as low as 30,000. The Legislature is almost solidly Democratic.

WHILE Kentucky Democrats are very properly applauding Judge PARKER for his devotion to the Constitution, they might, very properly also, insist on some of their own representatives observing the Constitution of their own state.

WHETHER or not Field Marshal OYAMA could conduct an "orderly retreat," it's quite certain, from his own repeated proclamations, that General KUROPATKIN.

Droop neck is prevailing among chickens in Jefferson county with great fatality; while hatchet neck has been taking off many promising fowls in Mason county.

THE Panama Canal is another achievement of which the Democrats complain only because it represents Republican ability to grapple with perplexing and difficult problems.

It looks like "easy money" when capitalists agree to pony up the trifle of \$9,500,000 on the simple condition that the other party subscribes the sum of \$500,000. That's an eighteen-to-one shot; and yet the burley tobacco growers claim to have captured the pot.

THE Journal of the American Medical Association at Chicago publishes the statistics gathered by it regarding accidents on the last Fourth of July. The total number of deaths from lockjaw was 91, as against 406 the previous Fourth. But there were 92 deaths from other causes, against only 60 last year. The total deaths were 182, and the total number of persons injured not fatally was 3,986. What a perfectly harmless luxury the toy pistol is.

Of the billion dollars worth of real estate in New York City which the Assessors report as being untaxed, the biggest item is Central Park, which is valued at \$185,000,000. Other large items are: Battery Park and Seawall, \$15,000,000; City Hall Park, \$25,000,000; Post-office, \$10,000,000; Navy Yard, \$23,000,000; Union Square, \$4,000,000; Madison Square, \$7,000,000; Blackwell's Island, \$12,000,000; Brooklyn Bridge, \$16,401,000; New York Public Library, Bryant Park, \$8,700,000, and Trinity Church, \$12,500,000. In addition there is the real estate of sundry societies and private citizens who have a pull.

Miss Nettie Blackmore, Minneapolis, tells how any young woman may be permanently cured of monthly pains by taking Lydia E. Pinkham's Vegetable Compound.

"YOUNG WOMEN:—I had frequent headaches of a severe nature, dark spots before my eyes, and at my menstrual periods I suffered untold agony. A member of the lodge advised me to try Lydia E. Pinkham's Vegetable Compound, but I only scorned good advice and felt that my case was hopeless, but she kept at me until I bought a bottle and started taking it. I soon had the best reason in the world to change my opinion of the medicine, as each day my health improved, and finally I was entirely without pain at my menstruation periods. I am most grateful."—NETTIE BLACKMORE, 28 Central Ave., Minneapolis, Minn.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

If there is anything about your case about which you would like special advice, write freely to Mrs. Pinkham. She will hold your letter in strict confidence. She can surely help you, for no person in America can speak from a wider experience in treating female ills. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass.; her advice is free.

VERY GOOD READING

The New Schoolbook Mud-dle in Louisville

LESS PRICE—LESS BOOK!

What's Gained One Way More Than Lost in Another

Some Facts That May Open the Eyes of Maysville's Board of Education

Louisville Herald.

Much dissatisfaction has been found with the action of the County School book Commission, composed of the Superintendent of County Schools, Mrs. R. A. Stonestreet, Chairman; County Judge James P. Gregory and County Attorney R. W. Bingham, in naming only three stores in Jefferson county as depositories of new Textbooks to be used in the schools this year, as fixed by a recent Act of the Legislature.

Complaints have been freely made that the Louisville Book Company, C. T. Dearing and Frederick Diehl, all located in the central part of the city, are the only places where Textbooks used in the schools of this county can be purchased.

In the cases of persons living out in the county many of them have to travel thirty or forty miles, spending fifty cents car fare to come to town and buy the needed books.

The same complaint is made by persons who live in the Eastern, Western and Southern sections of the city. They are compelled to travel several miles to make their purchases.

In previous years, in fact always before the passage of the uniform school textbook law, books could be purchased almost anywhere within a radius of three or four blocks from almost any point in the city, and were almost equally accessible in the county. All drugstores, small bookstores and in some cases even groceries handled books.

LIMITED OPPORTUNITIES.

Now parents are compelled to buy from one of three stores, two of which are owned by the same man, spend care fare in reaching the stores, and then spend several hours waiting until their turn comes to be waited on in these crowded depositories.

During the past two days these stores were so rushed that they were compelled to close their doors at times to avoid the crush of patrons. Three hours was a short period for schoolbook purchasers to spend in coming to town and being waited on.

The County School book Commission was required under the new law to name at least two depositories. The section of the law referring to this is as follows:

"It shall be the duty of the contractors under the provisions of this act if required by the State Schoolbook Commission to establish and maintain in some city in this state a depository where a stock of their books sufficient to supply all demands shall be kept. It shall be the duty of the County Schoolbook Commission in each county to select two or more agents or dealers in such county to supply to patrons and pupils the books herein provided for."

MRS. STONESTREET EXPLAINS.

When asked by a reporter for The Herald yesterday afternoon why the Board had appointed only two dealers to handle the books, one of whom chances to have two stores, Mrs. Stonestreet said:

"There was but one other concern, 'The New and Old Book Company,' which made any application to handle the books, all of which are supplied by the American Book Company of Cincinnati.

"When C. T. Dearing and Frederick Diehl were named Judge Gregory, Mr. Bingham and I were present. As the law specified the name of only two places, we determined to place the books on sale at the Louisville Book Company, C. T. Dearing and Frederick Diehl. As the law specified, we notified them of their

appointment, and the next day they accepted the trust.

HEAVY BOND REQUIRED.

"The state law requires distributors of Textbooks to give a heavy bond. All of this was done in regular and due form.

"Later on, after Judge Gregory and Mr. Bingham had gone out of the city on their vacations, the managers of the New and Old Book Company made application to me to allow them to handle the Textbooks. At the time I told them that I had no objection to naming them as one of the depositories, but that I could do nothing until the other two members of the Board returned to act with me.

"When Judge Gregory and Mr. Bingham did return they both expressed themselves as willing to name the New and Old Book Company.

"Mr. Darland, however, the local representative of the American Book Company, insisted that it was too late to name another depository, and that under no conditions would his Company agree to send any more books to the city, owing to the great expense entailed.

"According to the law the American Book Company brings its books into the state and deposits them at the various stores at its own expense. The books are simply put on sale, and the distributor collects 10% on the dollar on his sales.

"Now as to why we did not name more depositories. If a person will only stop to consider, he will easily realize that owing to the fixed legal arrangement it would be absurd to think of naming hundreds of little places for the establishment of agencies. As the American Book Company agreed to buy in all old Textbooks at half price the establishing of a great number of smaller agencies would result in endless detail and loss to the manufacturer.

NO PROVISIONS VIOLATED.

"In naming three depositories we have violated no provision of the statute. It may be inconvenient to many persons, but the law was so framed that we could not act otherwise than we did."

Taxpayers and voters, however, are greatly dissatisfied with the action of the County Board and object that the depositories are not at least distributed in the several parts of the city.

Although members of the Legislature and

other Democratic officials have boasted that under the new law the price of schoolbooks has been reduced, Prof. E. H. Mark, Superintendent of Schools in this city, furnished the School Board figures showing that the price has been increased instead of reduced.

While the actual price per book has been reduced the books furnished are much smaller.

Prof. Mark's tables show that for the eight grades in the ward schools the new books cost \$13.83, while the old ones cost \$17.73. This shows a loss of 22% in price.

Averaging up the pages in the books, however, shows the purchaser gets 26% less material by buying the new books than he would if he had bought the old.

Thus, while the purchaser gains 22% in price he loses 26% in material.

Concerning the books themselves Prof. Mark says:

BOOKS UNSATISFACTORY.

"They are not nearly so satisfactory as the books we have been using. The Louisville School Board was not consulted in the selection of books. We simply had to take what was given us. You know another man cannot buy a suit of clothes to fit you nearly so well as you can buy the suit yourself.

"For our needs the new books are a disappointment."

**HAPPY MOTHER'S  
TOUCHING STORY**

**Of Baby's Dreadful Suffering from Eczema.**

**CURED BY CUTICURA.**

**Now His Skin Is as White as a Snow Flake.**

"A terrible rash broke out on Charlie's poor little face and spread to his neck, chest and back. I had never seen anything quite like it before," writes Mrs. Helena Rath of 821 10th Ave., N. Y. City. "The skin rose in little lumps, and matter came out. My baby's skin was hot, and how he did suffer. He wouldn't eat, and night after night I walked the floor with him, weak as I was. Often I had to stop because I felt faint and my back throbbled with pain. But the worst pain of all was to see my poor little boy burning with those nasty sores. At last I was persuaded by a friend across the street to try the Cuticura Remedies. She gave me some Cuticura Ointment—I think the box was about half full—and a piece of Cuticura Soap. I followed the directions, bathing Charlie and putting that nice Ointment on the sores. Little by little, but so surely, Charlie and I both got more peace by day and more sleep by night. The sores sort of dried up and went away, and now Charlie is cured completely."

"Yes, that fat little boy by the window is Charlie, and his skin is as white as a snow flake, thanks to the Cuticura Remedies. I think everybody should know about the Soap and Ointment, and if it is going to help other mothers with sick babies, go ahead and publish what I have told you."

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per box of 60); Ointment, 25c. Soap, 25c. Depot: London, 27, Charterhouse St.; Paris, 2, Rue de la Paix; Boston, 107, Columbus Ave. Potter Drug & Chem. Corp., Sole Props. Send for "All About the Skin, Scalp and Hair."

Mr. Charles F. Fitt has bought the Charles E. Brosse dwelling at the head of Limestone in Sixth street for \$600.

Sulphur sprinkled over corn or oats is no more protection against rats or mice than sugar would be, and a man is simply wasting time and money to try it. The writer tried it once on a stable full of sheep oats, not stinting himself in its use, and when he went to feed it he found that the whole had been cut by the vermin as if it had been passed through a machine.

Leaving a note containing the simple statement that she had gone, Liddie Gray, a fourteen-year-old girl, disappeared from the home of her foster parents in Lexington.

**A WOMAN'S BACK**

The Aches and Pains Will Disappear If the Advice of this Maysville citizen is followed

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it. Many Maysville women know this. Read what one has to say about it: Mrs. John E. Burns of the West End near Pogue's says: "I am greatly pleased with the benefit I received from the use of Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. Use proved them to be the best kidney remedy that I know of. I have heard a number of persons speak of the great relief obtained from the use of Doan's Kidney Pills." For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
